Dalley's Magic Pain Extractor.

THERE never has been a discovery made in Materia Medica whereby pain can be so quickallayed, and where parts in a high state of in flammation can be so rapidly reduced to their natural state, nor where wounds and sores can be so thoroughly and rapidly heales, and decayed parts restored without either sear or defect, than with Dalley's Magical Pain Extractor. In Cuts, Wounds, Sprains and Bruises—casual-

ties to which children are constantly subject—the action of the genuine Dalley's Pain Extractor is ever the same! How much Pain and Suffering may not thus be prevented! Moreover, life itself is often dependent upon having at hand the Genuine Dalley Extractor, and for particulars of which I respectfully refer to my printed pamphlets, for the truth of which I hold myself responsible. No case of Burns and Scald, no matter how se-

vere, has ever yet, in any one instance, resisted the all-powerful, pain subduing and healing qualities of the Dalley's Pain Extractor. For sale by Sept. 4 28 if FISHER & HEINITSH.

"I am happy to say of your Carmante Pills, that I have found them a better family medicine, for commen use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and co-incide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dn. J. C. Aver.—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. II., writes:

"Haxing used your Catharare Pairs in my practice, I carrily from experience that they are an invalidable purgetive. In cases of disordered functions of the liver, causing headache, indigention, contiveness, and the great variety of diseases, that follow, they are a most remedy than any other. In all cases where a pure five formery is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a lew days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Cherny Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Caranaric Pitts have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cune is much more important, from the fact that I had failed to get relief L:m the best Physicians which this section of the country affords, and troog any of the numerous remodies I had taken.
